

Swarthmore College Race/Ethnicities of Enrolled Students

NOTES:
 -In 2010, the federal government mandated new collection and reporting methods for race and ethnicity. All enrollments are presented using the newer coding.
 In this newer coding, any student who identifies as **Hispanic** is considered to be Hispanic (even if other races are also selected).
 Those who select two or more races (and who do not select Hispanic) are considered to be "**Two or more races**" students.
 International Students are considered to be "**US Non Resident**" regardless of what race/ethnicity they selected
 -Students studying abroad are included. (See table "Fall Enrollment by Student Category: On Campus and Study Abroad")
